Final note by the Minister for Law.

Subject:- Continuance of Mr.K.N.G.Dhwajan as Transport Officer in the Food Department.

In April 1947, Government sanctioned the continuance of Mr.K.N.G.Dhwajan (Assistant Engineer) as Transport Officer in the Food Supplies Department on his grade pay in the Public Works Department plus a deputation allowance of Rs.50/- per mensem and a conveyance allowance of Rs.45/- per mensem till the end of April 1947.

The Director of Food Supplies reported in May 1947, that the question of auctioning unsound lorries of the Food Depart--ment and of getting others repaired was engaging attention and that there was particular need for the continuance of a wholetime officer possessing technical knowledge and experience for the Transport Section. He therefore solicited sanction for the continuance of Mr.K.N.G.Dhwajan as Transport Officer in the Food Department till the end of June 1947, i.e., for two months more on the existing terms. As it was considered that extension of the term of Mr.Dhwajan for a period of two months only as recommended by the Director might not be suffi--cient and that it was very likely that a further extension beyond the proposed period would be applied for by him later on, the Director was asked to intimate the outside limit up to which the services of Mr.Dhwajan might be required in the Food Department. Accordingly, the Director in his un-official note dated 31st July 1947, recommended sanction for extending the services of Mr.K.N.G.Dhwajan in the Food Department till the end of December 1947 and added that if the necessity for the retention of the officer should cease earlier he would not be kept on. It is now proposed to accept the revised recommend--ation of the Director viz., to continue Mr.K.N.G.Dhwajan as Transport Officer, in the Food Department till 1st January 1948

The Director of Food Supplies reported in May 1947, that the question of auctioning unsound lorries of the Food Department and of getting others repaired was engaging attention and that there was particular need for the continuance of a wholetime officer possessing technical knowledge and experience for the Transport Section. He therefore solicited sanction for the continuance of Mr.K.N.G. Dhwajan as Transport Officer in the Food Department till the end of June 1947, i.e., for two months more on the existing terms. As it was considered that extension of the term of Mr.Dhwajan for a period of two months only as recommended by the Director might not be sufficient and that it was very likely that a further extension beyond the proposed period would be applied for by him later on, the Director was asked to intimate the outside limit up to which the services of Mr.Dhwajan might be required in the

in the Food Department. Accordingly, the Director in his un-official note dated 31-7-1947, recommended sanction for extending the services of Mr.K.N.G. Dhwajan in the Food Department till the end of December, 1947 and added that if the necessity for the retention of the officer should cease earlier he would not be kept on. It is now proposed to accept the revised recommendation of the Director viz., to continue Mr.K.N.G. Dhwajan as Transport Officer, in the Food Department till 1-1-1948, on the existing terms. The question has been ordered to be disposed of by circulation
